

Important changes to SuperWrap

This notification dated 19 May 2014 provides information on changes that will be made to SuperWrap and the product disclosure statement ('PDS').

The updated PDS, effective 1 July 2014, will be available online from this date and relates to the following plans:

- ▶ SuperWrap Personal Super Plan
- ▶ SuperWrap Pension Plan and
- ▶ SuperWrap Term Allocated Pension Plan.

Please note that the way in which fees and costs are presented in the current PDS will also be updated to reflect new legislative requirements.

Please review all changes carefully as these may affect your SuperWrap account - if you have any questions, call us or discuss them with your financial adviser.

To obtain a free copy of the updated PDS from 1 July 2014, visit investorwrap.com.au >> Support >> Offer Documents or call one of our SuperWrap consultants between 8.00am and 6.30pm (Sydney time) Monday to Friday on 1300 657 010.

1. Portfolio Service facility

From 1 July 2014, a new Portfolio Service facility will be introduced to help keep your portfolio aligned to your investment strategy. It allows your adviser to perform transactions to rebalance your investments as per the investment strategy you agreed with your adviser. This facility enables all or part of your SuperWrap account to remain tailored to your investment needs.

The fees and costs applicable to the Portfolio Service facility are described in the following section.

2. Changes to rebates, fees and costs

Portfolio facility fee and other fees

If you have agreed with your adviser to use the Portfolio Service facility, you will be charged a Portfolio facility fee of \$242.50 per annum, deducted monthly as part of your Account keeping fee¹. Transaction fees will be waived on managed fund transactions placed through the facility and reduced minimum brokerage of \$19.95 will apply to listed security transactions placed through the Portfolio Service facility.

Wrap Advantage fee rebate

If you are invested in any of the managed funds in the Advantage Investment Series (the 'Funds'), from 1 July 2014, the Wrap Advantage fee rebate you receive will be calculated based on the Funds you are invested in as at 30 June 2014 (as long as you continue to hold an interest in the relevant Funds), including any additional investments into those applicable Funds.

The Wrap Advantage fee rebate will not apply to new investments into Funds in which you did not have holdings as at 30 June 2014.

Investment manager fee range

We are updating the Investment manager fee range stated in the current PDS from an estimated range of 0% - 6% to an estimated range of 0% - 8%. This is to ensure that the range covers recent fees disclosed for all available managed funds offered through SuperWrap. The amount you may pay for specific

investments is shown under 'Fee Measure' in the Investment Options Booklet, available from your adviser or through investorwrap.com.au >> Support >> Offer Documents.

Please note, Investment manager fees are generally deducted by each investment manager periodically from the assets of the underlying investment and are reflected in the unit price of the fund; they are not deducted directly from your Cash Account.

Expense recovery

The Trustee has discretion in deciding whether to pass on to members all or a portion of the actual expenses properly incurred in each financial year by the Trustee in operating your fund. The Trustee intends to exercise its right to recover expenses in respect of your SuperWrap account. These expenses include complying with legislative and prudential standards, paying compulsory government levies and those in relation to the significant program of work undertaken to ensure SuperWrap is compliant with recent regulatory reforms such as the Future of Financial Advice ('FOFA') and Stronger Super.

Any recovery is payable to the Trustee and will not be passed on to your adviser, or your adviser's dealer group. These expense recoveries will be deducted from your Cash Account at the time they are applied. They are estimated to be approximately \$145 per annum per account and include the Australian Prudential Regulatory Authority levy (which was previously paid by members through a reserve account). The exact amount deducted from your account will be confirmed in your Annual Statement.

Cash Account disclosure

We are updating the disclosure to better reflect the current monitoring process in respect of the rate paid on your Cash Account, which ensures that the rate of interest declared by the Administrator will not be lower than the average of the four major Australian banks for comparable cash transaction accounts (if available) with balances of \$10,000². Further, we are also updating the disclosure in respect of your Cash Account to reflect that your Cash Account is not a separate bank account and is part of your investment in SuperWrap. Your cash may be pooled and deposited in one or more underlying bank accounts, maintained by the Administrator at Westpac, which may include term deposits, breakable only at Westpac's discretion.

Licensee advice fee

From 1 July 2014, members may elect to pay a Licensee advice fee. The Licensee advice fee is a fee that a member may agree to pay in relation to ongoing advice (and related services) provided to them by their adviser's dealer group in relation to their SuperWrap account. It's only available if their adviser's dealer group has registered with the Administrator to charge this fee.

Discretionary fee waivers and reductions

Any discretionary waiver or reduction of fees and costs will cease to apply with 30 days' notice, or without notice, should you cease to be advised by your adviser or their dealer group. If so, these fees and costs will revert to the standard level.

3. Other important information

Implications if you no longer have an adviser

SuperWrap is designed to be used by you together with your adviser. For that reason, you will need to have a relationship with an authorised adviser to optimise account features and fee structures. If your relationship with your adviser ends, and you choose not to appoint a substitute adviser within 30 days, you must notify us by completing the Advice Relationship Opt-out Form. This will assist in managing your account. In some cases, your adviser may notify us that they no longer provide advice or other related services to you.

² You can contact your adviser, or one of our SuperWrap consultants on 1300 657 010 to confirm the current interest rate declared by the Administrator.

At least 30 days after we either process the Advice Relationship Opt-out Form, or alternatively, notify you that the relevant relationship has ended, the following changes will be made to your account:

- ▶ You will have the ability to place transactions online via investorwrap.com.au.
- ▶ You will be able to manage your account directly.
- ▶ The name and branding of your account may change (including on any communications which you will receive from us directly). However, other account details will remain the same.
- ▶ Your fees will change (and may increase) to the fees and costs set out in the disclosure document for a relevant self-directed SuperWrap product, which we will provide to you.
- ▶ The Portfolio Service facility will no longer be available to you.

Prior communications regarding legislative changes

We previously provided information on legislative changes to superannuation through an online update in July 2013. You can access a copy of this update by visiting investorwrap.com.au >> Home >> Account Summary or by calling one of our SuperWrap consultants between 8.00am and 6.30pm (Sydney time) Monday to Friday on 1300 657 010.

The update provided details on the following changes:

- ▶ Government contributions
- ▶ Higher concessional contributions cap
- ▶ Trans-Tasman Portability Scheme
- ▶ Departing Australia Superannuation Payment
- ▶ Additional 15% tax on contributions for high income earners
- ▶ Increase of 0.5% in Medicare Levy
- ▶ Member protection rules
- ▶ Standard risk measures.

The updated information will be incorporated into the updated PDS, a copy of which can be obtained by visiting investorwrap.com.au >> Support >> Offer Documents from 1 July 2014.
